

ARLF STRATEGIC PLAN 2020/21

Australian
Rural Leadership
Foundation

Our Vision

Thriving rural, regional and remote communities strengthening Australia and our region.

Our Purpose

To foster and exercise leadership for positive impact

Who we are

We are an independent for-purpose organisation established in 1992. We are the only leadership development organisation in Australia with both a national footprint and a focus on rural, regional and remote.

Our approach

Experiential learning creates a catalyst for individuals and groups to build behavioural intelligence and a framework to act adaptively and collectively

Our Values

To engage a diversity of views, perceptions, and backgrounds

To challenge entrenched ideas

To foster collaboration and act beyond self

Strategic Priorities

Our Strategic Priorities through this period align to our draft ARLF Strategic Plan March 2020 and have been adapted in an environment of global disruption.

During this period, we will adapt and innovate to:

- Contribute to public discourse and convene networks for improved outcomes for 3R Australia
- Deliver high impact leadership initiatives and programs
- Improve systems and processes
