

ARLF PROGRAM UPDATE - October 2020

Agribusiness 2020	The second and final session of the program will be held face-to-face in May 2021, together with the 2021 program cohort, in Orange. The 2020 group will graduate at the end of this session. If travel is not possible due to COVID restrictions, Session 2 will be completed by June 30 as a multi-modal session.
Agribusiness 2021	Applications are open for this program commencing March 2021.

Australian Rural Leadership Program (ARLP) Courses 26, 27 and 28

There will be an impact on the delivery and structure of the ARLP and our team is working hard to develop quality programs that draw on multi-modal delivery methods and locations. We have investing in learning platforms and technology that will support this new methodology and will work to support the concerns of all participants regarding their access to digital connectivity. The overseas session seems unlikely. As a result, we are looking at options that include deep cultural immersion and experiences to challenge multiple perspectives and scale across national and international considerations.

ARLP Course 26	Session 4 will be delivered from October 11 – 16, 2020 using multi-modal delivery methods in hub locations. A decision regarding the final (international) session and alternatives will be communicated in time.
ARLP Course 27	Session 1 will be delivered from November 1 – 6, 2020. There will be a change to the session order to allow the opportunity for face-to-face sessions to take place where possible. Therefore, the curriculum focus for each session will be in a different order to the past. Where multi-modal delivery methods are used, face to face learning will take place wherever possible in small regional clusters with online connection to the wider group. We will be guided by government regulations and guidelines for each session.
ARLP Course 28	Applications are closed, applicant selection process is underway. Anticipated commencement is June 2021.
