

AUSTRALIAN RURAL LEADERSHIP PROGRAM - COURSE 3 1996 - 97

*This is a Directory of the
participants in the third
intake of the Australian Rural
Leadership Program.*

Through the Program, they are developing their leadership skills, analysing key national and international issues, interacting with leaders in government, industry and the community, and developing a network of peers who share a purpose.

They are doing this through an intensive course of some 60 days duration in 8 sessions at various locations in Australia and overseas, followed by on-going involvement in The Australian Rural Leadership Network (the graduates association).

These men and women are committed to sharing a vision for and shaping the future of rural and regional Australia.
