AUSTRALIAN RURAL LEADERSHIP PROGRAM

This is a Directory

of the participants

in the sixth intake of

the Australian Rural

Leadership Program.

Through the Program, they are developing their leadership skills, analysing key national and international issues, interacting with leaders in government, industry and the community, and developing a network of peers who share a purpose.

They are doing this through an intensive course of some 60 days duration in 8 sessions at various locations in Australia and overseas, followed by on-going involvement in The Australian Rural Leadership Network (the graduates association).

These men and women are committed to sharing a vision for and shaping the future of rural and regional Australia.
