This year the Foundation is on the cusp of its 21st year - a symbolic milestone - and one that has been accompanied by a degree of reflection about how the Foundation has evolved and what it has managed to achieve. This reflection, driven by researching and writing a history of the Foundation which will be launched at the graduation of ARLP Course 19, showcases the success and impact that a vision and collaborative action can have in rural Australia. Over the last 21 years the Foundation and its fellows have provided leadership, inspiration, innovation and effective solutions in a multitude of spheres. The Board is committed to continuing to support this important work.

The Board's primary business aim continues to be achieving greater financial independence from the Foundation's annual cycle of securing sponsorships, in order to strengthen its viability. In the 2012-13 financial year, the consolidation of the Foundation's income base continued with success as a diverse array of customised programs for industry clients were successfully tendered for and completed.

The Board remained committed to another important strategy for most of the financial year – the capital fundraising project which commenced in 2011-12. In March 2013, given the challenging financial climate, it was put on hold in order to manage

the financial risk associated with resourcing this activity from the Foundation's reserve funds.

Given that the Foundation has passed the twenty year mark, the Board had several discussions on the need to undertake a longitudinal evaluation to enable us to tell the story of the Foundation and to enhance the information we have on hand when seeking to secure support from sponsors, donors and funding bodies. This activity will be the focus of considered work in the next year.

Meeting fellows and graduates of the Foundation on my travels continues to be an enjoyable component of my role. These encounters bring home to me the power of sharing stories and the significant leadership work being undertaken by our network all over the country.

This enthusiasm is mirrored in the dedication of the staff and Board, who are committed to building a more resilient and vibrant rural Australia through the professionalism and quality of our programs. My thanks go to Foundation Chief Executive Lesley Fitzpatrick and her team. I'd also like to thank our very supportive Patron, the Honourable Major General Michael Jeffery.

Equally integral to a thriving
Foundation are my fellow directors
who participated in the governance
of the Foundation during the 201213 financial year. Their diverse
backgrounds and experiences make
for a dedicated and effective group
and I would like to acknowledge their
work and support. I would like to thank
retiring Governor Director John Wilson,
who completed his term on the board

in November 2012. John's wisdom and experience were invaluable on the Board and in the work of the Finance and Audit Committee and we miss his contribution.

As Chair, I have continued to appreciate the support of directors Barb Madden, Snow Barlow, Susi Tegen and Lockie McDonald. I'd also like to welcome our two new directors, Craig Burns, who joined us in November 2012 and Rob Hadler who came on board in June 2013. As Managing Director of the Rural Industries Research and Development Corporation, Craig brings great expertise and further strengthens the collaborative ties between our organisations. We expect that Rob Hadler, as Coles' Manager of Corporate Affairs, will provide new perspectives on our operations and opportunities.

My sincere thanks also go to our members, sponsors and donors. Their support and commitment drive the work and success of the Foundation. Their loyalty is critical to its work and success.

I look forward to the achievements that lie ahead in the year to come.

Dr Wendy Craik AM, Chair

Australian Rural Leadership Foundation

CHIEF EXECUTIVE'S REPORT 2012-2013

EXTENDING OUR REACH AND EFFECTIVENESS

For the first time the Australian Rural Leadership Program (ARLP) cohort could not strictly be described as 'Australian' rural leaders. Thanks to a scholarship provided by the Australian Council for International Agricultural Research (ACIAR), Rufina Peter a senior officer with the Papua New Guinean Institute of National Affairs, became our first international participant.

This development is a natural part of the Foundation's evolution as we continue to look to cooperation and leadership in the wider region. It will be exciting to see where this takes us in the future.

The Foundation welcomed new and continuing ARLP sponsors including Health Workforce Australia providing two scholarships on Course 20 and the Department of Health and Ageing, providing one for a rural health practitioner. James Cook University, the Sidney Myer Fund and the Myer Foundation also invested in leadership development by funding ARLP scholarships.

The effectiveness of the ARLP has never been in doubt, and the results of the pre- and post- testing of participants using the Washington University Sentence Completion (WUSC) test underscore this dramatically. This psychometric test assesses participants against a developmental leadership model that defines the attributes and capacities associated with leadership maturity. Most individuals take three to five years to progress a developmental stage. WUSC post testing of ARLP

graduates indicate that a number of our leaders progress up to two stages on the leadership model, compressing six to eight years of growth as a leader into 17 months.

The Foundation continues to conduct its short program offerings with TRAIL providing a rich experience for emerging leaders and TRAIL blazers offering extension of knowledge and skills for seasoned leaders. This year we have been pleased to deliver a full schedule of client focused programs customised to address the leadership development needs of sectors, industries, organisations, communities or issues. These tailored programs have quickly earned a reputation for their unique approach and efficacy.

Clients this year included: Blackwood Corporation; Grape and Wine Research and Development Corporation, Wine Australia, Wine and Grape Growers' Association and Winemakers Federation of Australia; Rice Growers' Association; Rural Industries Research and Development Corporation; and the Torres Strait Regional Authority.

SUPPORTING OUR NETWORK OF LEADERS

The work of the Foundation and the efforts of our hundreds of rural leaders continue to make their mark and the Foundation's LEAD network continues to grow. The Foundation is particularly pleased to be able to extend the opportunity of obtaining a university qualification to past participants of the ARLP. Following the official academic accreditation of the ARLP by James Cook University, Jennifer Andrew developed and taught the first semester subject of the Graduate Certificate of Australian Rural Leadership for 11 ARLP alumni who have chosen to take advantage of the opportunity of gaining a university qualification based on their previous participation in the ARLP.

BUSINESS DEVELOPMENT

The Foundation has invested in its capacity to undertake a capital fundraising campaign and our knowledge and understanding of using our DGR for future resourcing and strategic positioning has grown significantly. A Foundation-specific approach to fundraising has been developed and will provide a blueprint for future activity and the requirements and options regarding appropriate governance and legal structures have been explored and finalised.

The active engagement of fellows in this process has been highly beneficial and has opened up networks and approaches that are important to the Foundation's future.

This work has resulted in a clarification of the Foundation's role, message, branding and image which have underpinned a suite of promotional materials, including a DVD, that has been developed. A Foundation Prospectus is in the final stages of design and will provide a tool for conveying the work, purpose and results delivered by the Foundation. It will be invaluable in my meetings with industry peers and prospective sponsors.

Also in the design phase is a new website for the Foundation which will reflect the evolution of our branding and provide an up-to-date, user friendly platform to boost our interaction with stakeholders and continue to promote our work. It will be the hub for our increasing use of social media including Twitter and Facebook.

THE FOUNDATION TEAM

Our small team, operating in what continues to be challenging financial conditions, work tirelessly to better the Foundation, its programs and products and the role it and its fellows and graduates play throughout Australia and further afield. For this I wish to thank them wholeheartedly.

The hard work of staff has contributed to a swathe of positive results – consistent high-quality program delivery, the growth of relationships with key stakeholders, leaders supported in rural communities and industries and additional financial support secured for our work.

Jane Healey continued as the Foundation's Business Manager and Jan James replaced Annette Bunfield, who resigned as Executive Assistant. Jan James also took on the duties of Wendy Rayner, who left the position of book keeper in June this year.

Andrea Hogg joined the Foundation in September 2012, finishing in her role of Sponsor Relations and Projects after 12 months when Philippa Woodhill returned from parental leave and resumed managing this area.

Jennifer Andrew continues in the position of Manager of Leadership Evaluation and Development.

Claire Delahunty joined us in the position of Communications Officer, replacing Rachelle Etienne-Breidenbach, who moved to Sydney.

Programs Course Administrator, Li-er Kendall, departed to take on other challenges after four years with the Foundation and was replaced by Isobel Ferrier. Jillian Emerson continued in her role as Program Administrator.

After five years with the Foundation, Karim Haddad moved to part-time work at the end of the financial year to phase out gradually from his role as Manager of Education Programs, enabling the Foundation to employ its succession strategies to manage this process. The other members of the program delivery team, Zoe Routh (Manager of Short Courses) and Bianca Jurd (Program Coordinator) continued to provide high quality program management and facilitation services.

BOARD CONTRIBUTION

Over the year, it has been gratifying to look back on the fulfillment of our purpose and exciting to look ahead to the next phase. As well as acknowledging a wonderful team of directors, I would like to thank the Chair, Dr Wendy Craik. Wendy's wisdom and support are invariably there when needed; she is a wonderful asset to the Foundation and an exemplary leader of the Board. Few realise the amount of behind the scenes work Wendy does to support me and the Foundation and I say without reservation that without her support, my job would be, at times, very difficult.

The diversity of the Board itself, with its remarkable mix of talented individuals brings a great deal to the Foundation. I would like to thank each board member for their time, expertise and commitment.

AUSTRALIAN RURAL LEADERSHIP FOUNDATION HIGHLIGHTS 2012-2013

BACK TO THE KIMBERLEY

A number of activities were part and parcel of kicking off our 21st birthday celebrations. The most notable was the Back to the Kimberley (B2K) week. In all, 25 people took part including fellows and family members. As well as the essential components of a Kimberley experience (caving, abseiling and walking in the heat of the sun), the group contributed to a project for the Mimbi community. At the community's request, Course 20 had planted an orchard as part of their program so the B2K group installed the irrigation system to keep the trees healthy and productive.

Fellow, Ian Crook who attended with his wife, Pam, sums it up well:

"The days at Mimbi were memorable. Karim and Colin and their teams did a very professional job. Their encouragement and their ability to instill confidence was very much appreciated. We enjoyed ourselves, were challenged (again!), and we hope made a useful contribution to the communities with the irrigation projects. There is no doubt that the Foundation over 20 years has helped to form a group of people with the ability to work together, share their thoughts and experiences openly, and uphold important values."

AUSTRALIAN RURAL LEADERSHIP PROGRAM

COURSE 18

Course 18 of the Australian Rural Leadership Program graduated in Launceston in September 2012. The participants reported insights and perspectives that have changed their lives.

"Since completing Course 18, I have experienced a broadening of my perspective on issues and learnt to seek out common ground rather than identifying differences. The Program covers such a broad scope of capabilities." Brett Hall, Tasmania.

COURSE 19

ARLP Course 19 were intrigued and moved by their program session in India, finding inspiration in the communities and organisations they visited. Participants heard from Dr Baskar Reddy, head of Agriculture, Federation of Indian Chamber of Commerce and Industry, met with agricultural entrepreneurs and shared their experiences with Dr Kiran Bedi, a respected and integral part of the field study experience.

COURSE 19 CASE STUDY

Course 19 undertook a challenging case study in Tamworth, New South Wales, where they examined ethics in food production.

COURSE 20

Twenty nine rural leaders have been selected through a competitive national selection process to take part on Course 20. The talented and diverse participants completed the first session of the ARLP.

TRAII

The 8-day cross sector leadership program for emerging rural leaders took place twice in the 2012-13 financial year, engaging 14 participants in September 2012, and nine participants in April 2013. These leaders came from employers and organisations in an array of sectors.

CLIENT SPECIFIC PROGRAMS

BLACKWOOD CORPORATION'S LEADERSHIP CAPACITY BUILDING PROGRAM

Funded by junior coal exploration company, Blackwood Corporation, this program enabled 14 participants to explore leadership thinking, build rapport and understanding and collaborative solution-finding in a region rife with challenges. It proved to be one of the most innovative and successful pilot programs the Foundation has run for cross-sector community capacity building.

EMERGING LEADERS OF THE RICE INDUSTRY

In 2012 the Rice Growers' Association selected fifteen future leaders of the rice industry to participate in a seven-day, two-session program. The objectives were to deepen understanding and aptitude for flexible and responsive leadership, develop skills of effective leadership, and foster ongoing relationships, peer support and networks across the industry. The participants included rice farmers, representatives from the Murray Darling Basin Authority, Murray Irrigation and the Commonwealth Environmental Water Office.

FUTURE LEADERS OF THE WINE INDUSTRY

The 2012 Futures Leaders group was the third cohort of the triennial program to take part in the Foundation-facilitated program.

The initiative is funded jointly by the Winemakers' Federation of Australia, Wine and Grape Growers' Association, Wine Australia and Grape and Wine Research and Development Corporation. Fifteen future leaders were selected, representing all aspects of the value chain.

RURAL INDUSTRIES RESEARCH AND DEVELOPMENT CORPORATION RURAL LEADERS PROGRAM

A group of 13 individuals from 12 new, developing or maturing Australian agricultural industries, met in Canberra in March to undertake the first RIRDC Rural Leaders program. The eight-day leadership program was the first of its kind sponsored by Rural Industries RDC and will continue to be held biennially.

TORRES STRAIT YOUNG LEADERS PROGRAM

This is the third year in which the Torres Strait Regional Authority (TSRA) has supported 18 to 24 year olds from the Torres Strait to attend a residential leadership program in Canberra and surrounding areas. During December 2012, Joseph Sedan from Horn Island and Cynthia Tapim and Thelma Savage from Thursday Island completed the program. Foundation staff provided two orientation days focusing on perspectives on the Torres Strait, its leaders and its contribution to the nation, both past and present. The participants then joined a group of other developing leaders in an open enrolment leadership program provided by Outward Bound Australia.

LEAD NETWORK

GRADUATE CERTIFICATE OF AUSTRALIAN RURAL LEADERSHIP (JAMES COOK UNIVERSITY)

In February 2013, a cohort of 11 ARLP graduates participated in the first semester of the Graduate Certificate of Australian Rural Leadership.
Considerable work was undertaken during the 2012-13 year writing and teaching the two subjects that form the Grad Cert. Socially Responsible Leadership was the subject undertaken in semester one and all 11 students passed in June 2013. The certificate is offered to fellows of the Foundation and comprises two subjects, the second of which is Rural Leadership in Practice.

THE HISTORY PROJECT

Work commenced on researching and writing the history of the Foundation which will be launched in September 2013. Jennifer Andrew led this project and coordinated and facilitated input from fellows and individuals who have been instrumental in the Foundation's development.

LEAD NETWORK DAYS

A LEAD Day was held in Launceston following ARLP Course 18 graduation. The speakers were Dr Ian Robottom of Deakin University and Paul Ryan of Interface NRM. Paul spoke on the topic of resilience thinking, and Ian provided community case studies from the Yukon and South Africa, demonstrating leadership processes that can be undertaken when contested values are apparent.

REGULAR PUBLICATIONS

The Network-E continued to be delivered to the membership by email on a twice-monthly basis. Readership over the 2013 period averaged over 35 per cent of total membership. The *Rural Leader*, the Foundation's annual publication, highlighted the work of the Foundation and its fellows over the last 12 months.

ABARES OUTLOOK CONFERENCE

The Foundation joined again with Nuffield to provide speakers for the final session at the ABARES National Outlook conference. Members of the Foundation's network also contributed to Regional Outlook conferences held throughout Australia.

AUSTRALIAN FARMER OF THE YEAR AWARDS

The winner of the Australian Farmer of the Year Award in September 2012 was a Foundation graduate, Peter Kuhlmann. Peter is a graduate of ARLP Course 6.

A VERY RURAL CHRISTMAS

A Very Rural Christmas project was coordinated by the Foundation for the first time in December 2012. GRDC staff in Canberra contributed small gifts that were distributed to children in the Finley-Tocumwal area of NSW, through charity organisations nominated by Ted Hatty, ARLP Course 15 graduate.

A FAIR GO FOR KIDS

Network members are also contributing to 'A Fair Go For Kids', a project undertaken through Kim Russell and ARLP Course 2. The project involves a number of members who are helping to establish a children's education and training centre in Zimbabwe.

RESOURCES TO RURAL LEADERS

This project continued in 2013 with books, sporting equipment and other resources sent to many projects throughout Australia where our members are engaged. To date, more than 50 packages have been sent.

OUR INVESTORS

The Australian Rural Leadership Foundation values the contribution of our sponsors, donors and other key supporters.

REPORT FROM THE FINANCE AND AUDIT COMMITTEE CHAIR

The Foundation reports a deficit for the year ended 30th June 2013 of \$ 102,181, a better result than anticipated. This year saw a downturn in short course activity which, along with lower interest rates, had an impact on our income. However, the Finance and Audit Committee and the Board is comfortable the Foundation is aligning itself with its strategic objectives, is remaining within budgeted guidelines and is proactive in the management of financial and other risks. Our auditors retuned an unqualified audit again this year.

I'd like to thank the members of the Finance and Audit Committee for their conscientiousness and diligence and welcome Craig Burns, who replaced John Wilson as a committee member.

The Foundation remains well placed financially to deliver on its vision of developing leadership excellence to build resilient rural industries and communities.

Dr Wendy Craik
Professor Snow Barlow
Ms Barbara Madden
Mr John Wilson (resigned on 16 November 2012)
Ms Susi Tegen
Mr Lachlan McDonald
Mr Craig Burns (appointed on 16 November 2012)
Mr Robert Hadler (appointed on 28 June 2013)

Directors have been in office since the start of the financial year to the date of this report unless otherwise noted in the list above.

DIRECTORS' BENEFITS

During or since the financial year, no director of the Foundation has received, or become entitled to receive, a benefit (other than a benefit included in the aggregate amount of remuneration received or due and receivable by directors shown in the consolidated accounts) by reason of a contract made by the Foundation with the director, or with a firm of which a director is a member or with an entity in which a director has a substantial interest.

PRINCIPAL ACTIVITIES

The principal activity of the Foundation during the financial year 2012-2013 was the development and delivery of programs that support and develop leadership in, and for rural Australia including:

- the Australian Rural Leadership Program for established leaders
- . Training Rural Australians In Leadership (TRAIL) for emerging leaders
- TRAILblazers for experienced leaders working in complex contexts
- client-specific short courses for particular groups or industries
- the engagement and enhancement of the Australian Rural Leadership Foundation's leadership network of graduates and members, and
- the establishment of an Endowment Fund almed at improving investment in rural leadership through increasing philanthropic support for the Foundation's role and programs.

SHORT-TERM and LONG-TERM OBJECTIVES

The Foundation's short-term objectives are: To identify, develop and motivate leaders in, and for rural, regional and remote Australia by:

- securing investment for the development of leadership in rural, regional and remote Australia
- recruiting, developing and graduating up to 30 leaders each year from the Australian Rural Leadership Program

- increasing the Foundation's range of rural leadership development opportunities by offering TRAILblazers for experienced rural leaders and TRAIL for emerging rural leaders
- responding to specific leadership development needs by providing client-specific leadership development programs for industries, issues or groups to develop leadership in particular sectors, groups or issues
- administering and developing the LEAD Network of graduates and members to facilitate interaction, collaboration and leadership engagement, and to provide support and development opportunities.

The Foundation's long-term objective is that:

Rural, regional and remote Australia is economically, socially and environmentally healthy, viable and resilient.

STRATEGIES

To achieve its stated objectives, the Foundation has adopted the following strategies:

- To secure investment to advance the leadership capacity of rural Australia through sponsorship, donation and fee-for-service arrangements
- To develop a network of rural leaders who are:
 - skilled and effective in their roles
 - o acting with integrity and upholding ethical standards
 - o collaborative and supportive of each other
 - o solutions focussed
 - o committed to sustainable leadership practice
 - o actively developing future leaders
 - influential in the national agenda
 - valued and respected
- To provide high quality leadership development products, including:
 - the Australian Rural Leadership Program
 - o Training Rural Australians In Leadership (TRAIL) for emerging leaders
 - o TRAILblazers for mature, seasoned leaders
 - o Tailored programs for clients addressing specific issues or groups
- To support engagement in rural leadership and the professional development of leaders by
 - o offering rural engagement and leadership development opportunities
 - maintaining and developing the Leadership Engagement and Development (LEAD)
 Network
 - o involving the Foundation, its fellows and associates, in practical and policy-based initiatives that optimise, support and promote rural leadership.

NON-FINANCIAL PERFORMANCE MEASURES

The financial performance of the organisation is demonstrated through the financial statements which provide the measure used to assess the Foundation's goal of securing investment and allocating resources for the purpose of the development of rural leaders.

The Foundation measures its non-financial performance through the use of quantitative and qualitative methods with a predominance of qualitative methods due to the values-based and contextual nature of the leadership work undertaken.

The following data represents the first year of benchmarking used to assess whether the Foundation's short-term and long-term objectives are being met. Benchmarking is set based on the last five years. The prior years' (2011 and 2012) performance is provided for comparison.

For all ARLP cohorts, participants are afforded a two course period within which they can complete their program if they miss a session. Hence, all references to ARLP course graduates include participants from previous courses and the course number refers to the majority of course graduates.

OPERATING RESULT

The deficit for the financial year was \$102,181.

REVIEW OF OPERATIONS

For a detailed review of operations, members should refer to the Chief Executive's Report.

CHANGES IN THE STATE OF AFFAIRS

In the opinion of the directors, there were no significant changes during the reporting period in the state of the affairs of the Foundation, other than those disclosed in this report and the accounts.

SUBSEQUENT EVENTS

Directors are not aware of any matter or circumstance since the balance date that has significantly affected the state of the Foundation's affairs.

INDEMNIFICATION AND INSURANCE OF DIRECTORS AND OFFICERS

During the financial year, the Foundation has paid premiums in respect of a contract insuring all the directors and officers of the Foundation against costs incurred in defending proceedings for conduct involving:

- · a wilful breach of duty; or
- a contravention of sections 182 or 183 of the Corporations Act 2001, as permitted by section 1998 of the Corporations Act 2001.

The total amount of the insurance contract premiums paid was \$5,025.07 excluding GST.

NON-AUDIT SERVICES

Non-audit services provided by the Foundation's auditor, Moore Stephens are set out in Note 17 of the financial statements.

FUTURE DEVELOPMENTS AND RESULTS

The Foundation will continue to work to implement its mission by developing leadership programs that address the need for rural leadership in a rapidly changing global and national environment. The directors are confident that the operations of the Foundation will continue to meet the expectations of the members, the program participants and its investors and supporters.

COMPANY DETAILS

The Foundation is a public company limited by guarantee. If the Foundation is wound up, the constitution states that each member and each member who ceased to be a member in the preceding year is required to contribute a maximum of \$10 each towards meeting any outstandings and obligations of the Foundation. At 30 June 2013 the number of members was 603.

AUDITOR INDEPENDENCE

A copy of the auditor's independence declaration as required under a 307C of the Corporations Act. 2001 is set out immediately after this report.

Signed in accordance with a resolution of the Board of Directors.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF THE AUSTRALIAN RURAL LEADERSHIP FOUNDATION LIMITED

Report on the Financial Report

We have audited the accompanying financial report of Australian Rural Leadership Foundation Limited, which comprises the statement of financial position as at 30 June 2013, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the period then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the Australian Rural Leadership Foundation Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

Opinion

In our opinion:

- the financial report of the Australian Rural Leadership Foundation Limited is in accordance with the Corporations Act 2001, including:
 - giving a true and fair view of the company's financial position as at 30 June 2013 and of its performance for the period ended on that date; and
 - ii. complying with Australian Accounting Standards and the Corporations Regulations 2001.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2013

The financial statements are for the Australian Rural Leadership Foundation Limited as an individual entity, incorporated and domiciled in Australia. Australian Rural Leadership Foundation Limited is a company limited by guarantee under the Corporations Act 2001.

Note 1: Statement of Significant Accounting Policies

Basis of Preparation

This general purpose financial report is a financial report that has been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the *Corporations Act 2001*. The financial report has been prepared on an accruals basis in Australian dollars and is based on historical costs. It does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

Any new Accounting Standards that have been issued but are not yet effective at balance date have not been applied in the preparation of the financial report. The possible impacts of the initial application of these Accounting Standards have not been assessed.

The financial report complies with Australian Accounting Standards, which include Australian equivalents to International Financial Reporting Standards (AIFRS). A statement of compliance with International Financial Reporting Standards cannot be made due to the Foundation applying the not-for-profit sector specific requirements contained in AIFRS.

The following is a summary of the significant accounting policies adopted by the Foundation in the preparation of this financial report. The accounting policies have been consistently applied, unless otherwise stated.

Accounting Policies

(a) Income Tax

The Foundation is exempt from income tax under Section 50-B of the Income Tax Assessment Act 1997.

(b) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation. The carrying amount of property, plant and equipment is reviewed annually by the Foundation to ensure it is not in excess of the remaining service potential of these assets.

All classes of property, plant and equipment are depreciated using the straight line method. Depreciation is charged at the following rates:

Furniture, Plant and Equipment 5 - 10 years
Computer hardware and software 3 - 4 years, and
Office Renovations 5 years

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2013

Note 1: Statement of Significant Accounting Policies (continued)

(c) Financial Instruments

Financial instruments are initially measured at fair value on trade date, which includes transaction costs, when the related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below. All financial instruments are classified as 'Held to Maturity' and are recognised at amortised cost.

Bonds and debentures

Bonds and debentures are carried at the lower of cost or net realisable value. Any discount or premium on acquisition is recognised as revenue or expense in the year of purchase of the investment.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are stated at amortised cost using the effective interest rate method.

(d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and in banks, in deposits at call and investments in money market instruments convertible to cash within 45 days.

(e) Employee Benefits

Provision is made for the Foundation's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. Contributions are made by the Foundation to employees' superannuation funds and are charged as expenses when incurred.

(f) Leases

Leases of fixed assets where substantially all of the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the Foundation, are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

(g) Course liabilities and assets, revenues and expenses

<u>Unearned revenue - Courses</u>

Prior to the commencement of a course, course scholarships are deferred and recognised as income received in advance when received. On commencement of a course, outstanding scholarships are recognised as course receivables and unearned revenue when invoiced. Course scholarships are generally invoiced on commencement of the course however in some instances scholarships are progressively invoiced in instalments over the term of the course.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2013

Note 1: Statement of Significant Accounting Policies (continued)

(g) Course liabilities and assets, revenues and expenses (continued)

Course fees are set at a level necessary to meet the direct course costs and to contribute to the core administrative costs associated with the course. Consequently, course revenue is progressively recognised in the income statement as follows:

- (i) for course costs, revenue is recognised for direct course costs incurred in respect of sessions; and
- (ii) for the contribution to core administrative costs, progressively over the term of the course (including the selection period prior to the commencement of a course) in accordance with the stage of completion of each course.

Prepaid Course Costs

Direct course costs incurred prior to the commencement of a course are recognised as prepaid course costs (other current assets).

Provision for Course Make-Up Costs

A provision is recognised by transfer from course unearned revenue (note 11) to provision for course makeups (note 10) for the estimated direct course costs associated with a missed session where a participant is unable to attend a course session and is eligible to attend a future course session in order to complete the course curriculum.

(h) Reserves

The Commitments Reserve represents the estimated funds to complete courses in progress and other contractual obligations entered into by the Foundation.

The General Reserve represents the estimated funds necessary to cover closure costs including staff entitlements should the Foundation need to cease operations.

The Development Funds Reserve represents the balance of members' funds available for discretionary activities of the Foundation.

The Endowment Funds Reserve represents donations received from fellows, board, staff and other donors to fund ARLF scholarships.

(i) Comparative figures

Where necessary, comparative figures have been adjusted to conform to changes in presentation in this financial report.

(j) Revenue

Course revenues and expenses are recognised in the income statement progressively over the period of the course as detailed in note 1(g) above.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to financial assets.

Reciprocal grants are recognised as revenue in the year received or receivable to the extent of expenditure during the year or the purpose of the grant. The balance of grants unspent at year end are recognised as a liability.

Network membership fees are recognised when billed which is generally in four instalments over the term of a course. Network events income and expenses are recognised as revenue and expense when the event is held.

All revenue is stated net of the amount of goods and services tax (GST).

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2013

Note 1: Statement of Significant Accounting Policies (continued)

(k) Impairment

At each reporting date, the Foundation reviews the carrying values of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. As a not-for-profit entity, value in use for the Foundation, according to AASB 136 Impairment of Assets, is depreciated replacement cost. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement. No impairment indicators were present at 30 June 2013.

(I) Provisions

Provisions are recognised when the Foundation has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

(m) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the Balance Sheet are shown inclusive of GST.

Cash flows are presented in the Statement of Cash Flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(n) Critical accounting estimates and judgements

The directors evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates and judgements assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Foundation.

Key estimate - Course stage of completion

The Foundation recognises course revenues based on the stage of completion of each course (refer note 1(g) above). The Foundation determines stage of completion consistently over the period of the course rather than on completion of course sessions, as this more accurately reflects the efforts required to plan and coordinate course activities.

Key judgement - Impairment

The Foundation assesses impairment at each reporting date by evaluating conditions specific to the Foundation that may lead to impairment of assets. Should an impairment indicator exist, the determination of the recoverable amount of the asset may require incorporation of a number of key estimates. No impairment indicators were present at 30 June 2013.

At Board Meeting No 80 in June 2013, the Board agreed to transfer the donations received from fellows to fund an ARLP scholarship from the Scholarship Donation Fund to the Endowment Fund Reserve. Therefore, the Fellows donations of \$17,972 were transferred to the Endowment Fund Reserve at 30 June 2013. Future donations of this type will be deposited directly into the Endowment Fund Reserve.

⁽ii) The Participant's Welfare Fund has been established to provide financial assistance to those participants of the Foundation's programs who have difficulty in meeting some of the financial costs of the program.

Note 19: Subsequent Events

The Directors are not aware of any matter or circumstance that has arisen since the balance date that has significantly affected the state of affairs of the Foundation.

Note 20: Financial Instruments

(a) Financial Risk Management

The Foundation's principal financial instruments comprise cash at bank, receivables, investments and accounts payable. These financial instruments arise from the operations of the Foundation.

The Foundation did not have any derivative instruments at 30 June 2013 or 30 June 2012.

It is, and has been throughout the period under review, the Foundation's policy that no trading in financial instruments shall be undertaken.

The main risks arising from the Foundation's financial instruments are interest rate risk and credit risk. The policies for managing each of these risks are summarised below. The Foundation was not exposed to foreign currency risk during the years ended 30 June 2012 or 2013.

Interest rate risk

Interest rate risk is the risk that the value of a financial asset or liability will change due to interest rate fluctuations. The interest rate applicable to each class of financial asset and liability are set out in the following table (refer to (c) below).

Credit risk

The maximum exposure to credit risk at balance date to recognised financial assets is the carrying amount as disclosed in the balance sheet and notes to the financial statements. Credit risk is managed through an investment policy which requires the investment of funds with financial institutions with credit rating of A3 or better for short term (1 year and less) and BBB- or better for longer-term investments. The Foundation maintained a spread of major investments across a range of financial institutions and consequently did not have any material credit risk exposure to any single debtor or group of debtors during the years ended 30 June 2012 or 2013.

Liquidity risk

The Foundation had no external funding or facilities during the years ended 30 June 2012 or 2013. The Foundation manages its cash balance to ensure that it has sufficient cash and cash equivalent holdings to meet all short, medium and long term requirements.

(b) Net Fair Values

The net fair value of financial assets and liabilities approximated the values shown in the statement of financial position and the notes thereto.

DIRECTORS' DECLARATION

In accordance with a resolution of the directors of the Australian Rural Leadership Foundation Limited (the Foundation), we state that:

- 1 In the opinion of the directors:
 - (a) the financial statements, notes and the additional disclosures included in the directors' report designated as audited of the company are in accordance with the Corporations Act 2001, including:
 - giving a true and fair view of the Foundation's financial position as at 30 June 2013 and of the performance for the year ended on that date; and
 - (ii) complying with Accounting Standards and the Corporations Regulations 2001; and
 - (b) there are reasonable grounds to believe that the Foundation will be able to pay its debts as and when they become due and payable.
- This declaration has been made after receiving the declarations required to be made to the directors in accordance with section 295A of the Corporations Act 2001 for the financial year ending 30 June 2013.
